

2021.1.9

The spread of multinational companies and the resulting increase of globalization produce positive effects for everyone. To what extent do you agree or disagree?

2021.1.16

Students leave high school without learning how to manage their money. What are the reasons and solutions to this issue?

2021.1.21

A recent survey shows that in many countries across the world, people are generally living longer. But an increased life expectancy has many implications for the aging individuals and for the society as a whole. What are the possible effects of a longer life expectancy on individuals and the society?

2021.1.23

When people learn a foreign language, the four skills (listening, speaking, reading and writing) are equally important. To what extent do you agree or disagree?

2021.1.30

More and more plastic waste is polluting the world's cities, countryside and oceans. What problems does it cause? What are the solutions?

2021.2.6

It has become easier and more affordable for people to visit other countries. Is it a positive or negative development?

2021.2.20

Parents should encourage children to spend less time in studying and more time doing physical activities. To what extent do you agree or disagree?

2021.2.25

Some people believe that educational qualifications always bring success, while others disagree. Discuss both views and give your own opinion.

2021.2.27

Freshwater has always been a limited resource in some parts of the world. Today, however, growing worldwide demand has made this a global problem. What are the causes of the increasing demand? What measures could governments and individuals take to solve this problem?

2021.3.4

There are more animals in danger of extinction. Some people say that only the animals that are useful to humans should be protected. To what extent do you agree or disagree?

2021.3.6

In some countries around the world, men and women have children late in life. What are the reasons for this development? What are the effects on society and family life?

2021.3.13

Music has always been and continues to be the universal language of mankind. To what extent do you agree or disagree?

2021.3.20

Some people believe if a police force carries guns, it will encourage the level of violence in the society. To what extent do you agree or disagree?

2021.3.27

Health experts claim that walking is the best exercise. However, people are walking less on a daily basis. What has made this happen and how to deal with it?

2021.4.3

More and more people no longer read newspapers or watch TV programs to get news. They get news about the world through the Internet. Is this a positive or negative development?

2021.4.10

Many people believe that bicycle is a healthy and environmentally friendly mode of transport. However, it is no longer the main form of transport. What are the reasons? What could be done to encourage the use of bicycles among the wider population?

2021.4.17

Young people do not spend their holidays and weekends doing outdoor activities like hiking and climbing in the natural environment. Why? And how to encourage them to go out?

2021.4.24

In many countries, traditional food is being replaced by international fast food. This will have negative effects on family and society. To what extent do you agree or disagree?

2021.4.29

Some people believe that in order to improve educational equality, we should encourage students to make comments or even criticism of their teachers, but others think it will lead to the loss of respect and discipline in the classroom. Discuss both views and give your opinion.

2021.5.8

Some people think that the best way to improve road safety is to let the driver take a test each year. To what extent do you agree or disagree?

2021.5.15

People should look after their health as a duty to the society where they live, rather than for

their own benefits. To what extent do you agree or disagree?

2021.5.20

Many people think the best way to learn a culture is to learn the language of it. To what extent do you agree or disagree?

2021.5.22

Many museums and historical sites are mainly visited by tourists, not local people. Why is this the case? What can be done to attract local people to museums and historical sites?

2021.5.29

Some people say advertising has positive economic effects. Others think it has negative social effects because it will make people dissatisfied with who they are and what they have. Discuss both views and give your own opinion.

2021.6.5

The family has a great influence on children's development, but the influence outside the home plays a bigger part in children's life. Do you agree or disagree?

2021.6.12

Some people think university education should focus on employment skills for the future. Others think it should focus on academic study only. Discuss both views and give your opinion.

2021.6.17

More and more people are becoming seriously overweight. Some people say that raising the price of fattening food will solve this problem. To what extent do you agree or disagree?

2021.6.19

In education and employment, some people work harder than others. Why do some people work harder than others? Is it always a good thing to work hard?

2021.6.26

Some people think traveling abroad is necessary while others think that is not necessary because TV and the Internet can give the same information. Discuss both views and give your own opinion.

2021.7.1

Maintaining public libraries is a waste of time since computer technology is now replacing their function. To what extent do you agree or disagree?

2021.7.10

Education of young people is highly prioritized in many countries. However, educating adults who cannot write or read is even more important and governments should spend more money on this. To what extent do you agree or disagree?

2021.7.17

Some people say that advertising encourages us to buy things that we do not really need. Others say that advertisements tell us about new products that may improve our lives. To what extent do you agree or disagree?

2021.7.24

Some people think individuals are more and more dependent on each other. Others believe we are more and more independent. Discuss both views and give your own opinion.

2021.7.31

Today, some food travels thousands of miles from the farm to consumers. What is the reason? Is it a positive or negative trend?

2021.8.7

Some people think that adults should give children the freedom to make mistakes. Other people believe that adults should prevent children from making mistakes. Discuss both views and give your opinion.

2021.8.12

Nowadays, people spend more and more time away from their families. Why? What effect will it have on themselves and their families?

2021.8.14

Many developing countries are currently expanding their tourist industries. Why is this the case? Is it a positive development?

2021.8.21

Scientific research should be carried out and controlled by the government rather than private companies. To what extent do you agree or disagree?

2021.8.28

Some school leavers travel or work for a period of time instead of going directly to university. What are the advantages and disadvantages?

2021.9.4

In the future, all cars, buses, and trucks will be driverless. The only people traveling inside these vehicles will be passengers. Do you think the advantages of driverless vehicles outweigh the disadvantages?

2021.9.11

The natural resources such as oil, forests and freshwater are being consumed at an alarming rate. What problems does this cause? How can we solve these problems?

2021.9.16

In some countries, many university students live with their families, while others live away from home because their universities are in different places. Do the advantages of living away from home outweigh the disadvantages?

2021.9.18

Some experts suppose that when a country is already rich, any additional increase in economic wealth does not make its citizens happier. To what extent do you agree or disagree?

2021.9.19

Many people think there is a general increase in anti-social behaviour and a lack of respect for others. What do you think are the causes of this and how to improve it? What solutions can you suggest?

2021.9.25

People who decide on a career path early in their lives and keep to it are more likely to have a satisfying working life than those who change jobs frequently. To what extent do you agree or disagree?

2021.10.9

Some people think that it is more beneficial to take part in sports which are played in teams, like football, while other people think that taking part in individual sports is better, like swimming. Discuss both views and give your own opinion.

2021.10.14

People who damage public property, such as buildings or statues should be required to do community service (such as cleaning parks) as a punishment rather than other forms of punishment (such as paying a fine or going to prison). To what extent do you agree to disagree?

2021.10.16

Some people think financial aid from international organizations is important for developing countries. Others believe that practical aid and advice is more important. Discuss both views and give your own opinion.

2021.10.17

The only reason for people working hard is to earn money. To what extent do you agree or disagree?

2021.10.23

Some people believe that employers should not be concerned about the way their employees dress, but they should be concerned about the quality at work. To what extent do you agree or disagree?

2021.10.30

Nowadays, some parents put a lot of pressure on their children to succeed. What are the reasons? Is this a positive or negative development for children?

2021.11.6

Many people use social media every day to get in touch with other people and know about news events. Do you think the advantages of this outweigh the disadvantages?

2021.11.11

Some professionals, such as teachers and doctors, make a greater contribution to society, so they should be paid more than sport athletes and entertainment stars. To what extent do you agree or disagree?

2021.11.20

The best way to solve traffic and transportation problems is to encourage people to live in cities rather than suburbs and countryside. To what extent do you agree or disagree?

2021.11.27

Some people think that it is governments' responsibility to transport children to school, while others think parents should get their children to school. Discuss both views and give your own opinion.

2021.12.2

Shops should not be allowed to sell any food or drink that have been scientifically proved to be bad for people's health. To what extent do you agree or disagree?

2021.12.4

The key to solving environmental problems is simple: the present generation is to accept a less comfortable life for the sake of the future generation. To what extent do you agree or disagree?

2021.12.11

Some people think that environmental problems are too big for individuals to solve. Others, however, believe that these problems can not be solved if individuals do not take actions. Discuss both views and give your own opinion.

2021.12.18

Many people like eating unhealthy food even though they know it is bad for themselves. Why? What effective ways can improve people's eating habits?

2021.12.25

Some people believe that university students should pay all the cost of studies because university education only benefits students themselves, not the society as a whole. To what extent do you agree or disagree?

2021.12.30

Since people can study through the internet, schools have become unnecessary. To what extent do you agree or disagree?
